SUMMARY OF THE REASONS FOR DECISION:

The computer image file entitled *01ns003.jpg* is classified as:
Unrestricted.

The computer image file contains a colour photographic image that depicts a fully clothed woman posing in a doorway of a house. The image is innocuous. It contains nothing of a sexual nature. It does not describe, depict, express or otherwise deal with any of the matters listed in s3(1) of the Films, Videos, and Publications Act 1993. The Classification Office therefore has no jurisdiction to determine whether the publication is "objectionable" or "objectionable except in particular circumstances". As a consequence, the publication must be classified as unrestricted.
